LB 265, 330, 455, 469, 646, 872

PRESIDENT ROBAK: LB 330 advances. LB 872. Before we get to 872, items for the record, Mr. Clerk.

CLERK: Very quickly, Madam President, thank you. Lobby report for this past week to be inserted in the Legislative Journal. Senator Hartnett would like to reconsider the vote on the Wickersham amendment to LB 469. Senator Lindsay, amendments to LB 646 to be printed; Senator Wesely to LB 455. (See pages 1662-63 of the Legislative Journal.)

PRESIDENT ROBAK: Thank you, Mr. Clerk. LB 872.

CLERK: LB 872, offered by Senator Beutler. (Read title.) The bill was introduced on January 19, referred to the Judiciary Committee, advanced to General File. I have no amendments to the bill, Madam President.

PRESIDENT ROBAK: The Chair recognizes Senator Beutler.

SENATOR BEUTLER: Madam President and members of the Legislature, this is purely a clarification bill. Last year we passed a little bill that allowed in instances where somebody owned property out and lived out of state, was domiciled out of state, owned property in their own name alone, just in their own name, to transfer that property without the joinder of the spouse for reasons of uncertainty and the law. And at the time the bill was passed, everybody thought it was clear that they had to be domiciled outside of the state at the time of transfer as opposed to the time of death. One lawyer in the interim raised the question of whether that wasn't sufficiently clear and so all this bill does is make it sufficiently clear that the person has to be domiciled outside of the state at the time of transfer as opposed to the time of death. Thank you.

PRESIDENT ROBAK: Thank you, Senator Beutler. Is there any discussion on the advancement of LB 872? Seeing none, do you wish to close, Senator? Senator Beutler waives closing. The question before you is the advancement of LB 872. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 25 ayes, 0 nays, Madam President, on the advancement of LB 872.

PRESIDENT ROBAK: LB 872 advances. LB 265.
